Cooking up a storm

Highly qualified assistant Mary Wilson blends up a wonderful high-spirited concoction as Shirley Colliss provides muddled instructions. The galloping gourmets cooked up some laughter for the women who took part in the Sweep Into Spring curling bonspiel at the Minden Curling Club on April 1. Acting out hilarious skits has become a tradition at this, the final bonspiel of the year.

Council tries to settle roads dispute

by Jay Kerr-Wilson

Anson, Hindon and Minden Townships Council is making another attempt to resolve the controversy surrounding the road into the Highland Gate Estates subdivision.

At a special meeting on Thursday, council met with representatives of the subdivision and the Ministry of Transportation to explore what options are available to settle the dispute.

Residents of the subdivision believe the municipality should be responsible for the upgrading and maintenance of the roads. The council that was in place prior to the November elections took the opposite stand, saying that it is the developer's responsibility to first bring the road up to Ministry of Transportation standards. Both parties' claims are substantiated by contradicting bylaws that were approved by previous councils.

Last Thursday's meeting was the first opportunity for the residents to discuss this issue with the newly-elected council and representatives of the ministry.

The committee representing Highland Gate had requested the meeting to get a clear indication of the status of the subdivision and to get input from the transportation ministry.

Highland Gate resident Doug Campbell told the meeting that the subdivision residents weren't asking for anything except that the municipality honour the 1982 bylaw which says the township will pave the road.

He said the bylaw acknowledges that the developer had fulfilled his end of the agreement and that the township would assume the road and cover it with hard top. Campbell said the term hard top referred to hot-mix asphalt. "We're not asking for storm sewers or curbs," he said. "We are just interested in the road."

During the course of the meeting it became apparent that there was some confusion about what the minimum standard of the road would have to be to receive ministry approval.

Ministry spokesman Andy Mintz told the meeting that

Ministry stamp is final hurdle

Barb Dawson urges public to write minister, premier

Only one hurdle remains to be cleared before the plans for the expansion of the Haliburton Hospital can go to tenders.

That hurdle is the Ministry of Health's stamp of approval and, unfortunately, it is feared that this will be the most difficult obstacle of all in the community's bid for the added hospital beds.

Tender-ready drawings of the 18-bed chronic-care expansion were sent to the ministry on March 31, Barb Dawson told The Times last week. Now it's all up to the ministry, said the second vice chairman of the St. Joseph's Hospital Board.

Completion of the plans was the final detail that could be accomplished by the architects before this

project could go to tenders. The hospital board is now awaiting ministry approval of the plans.

Dawson, who is the chairman of the board's property committee, says her fingers are crossed in hopes of speedy approval. However, she senses it may be a long wait. She says she spoke with Health Minister Elinor Caplan in early

March and was told that a speedy approval of the plans was not likely to be in the cards. The ministry is moving very slowly on projects throughout the province, she said and Haliburton is unlikely to be an exception.

After a surprisingly successful local fundraising

Fire cutbacks concern municipalities

by Jay Kerr-Wilson

A supervisor from the Ministry of Natural Resources Fire Operations Centre in Haliburton says he sympathizes with municipalities' concerns about the recent cut-backs in the ministry's fire crews.

Fire Operations Manager Tom Russell attended last week's meeting of Monmouth Township Council to try and answer councillors' questions and respond to concerns. Many municipalities are upset at the recent announcement that local fire departments may be required to take a more active role in fighting forest

fires this summer.

Russell told council that a great deal of the concern seems to revolve around the agreements between the ministry and the municipalities regarding who is responsible for fighting forest and bush fires. The agreements, dating back to the 1950's, state that municipalities are responsible for fighting fires within their boundaries. The ministry reimburses the townships for half the cost of fighting forest and bush fires on private land and 100 per cent of the cost of fighting fires on Crown land.

There has been no change in the original agreements, according to Russell, and

the ministry fire crews will provide back-up if the municipal fire departments need help.

Russell said the municipalities have the right to cancel the agreements but would then be liable for the full cost of fighting the fires. The ministry has an agreement with every municipality in the Minden District.

If there are not a great number of fires this summer, Russell said it's possible municipalities won't notice the difference between this and previous years. But due to drastic cut-backs in the number of ministry fire fighting personnel in the district, local fire departments may find them-

selves playing a more active role.

The Haliburton Fire Centre has been dealt a 40 per cent reduction in fire fighters and the region has suffered a 46 per cent decrease. Russell said he will only have nine men instead of the usual 15 and only six men on duty at any given time instead of 10.

In past years the ministry crews have kept a watch on fire locations for several days after the fire has been extinguished to ensure that the blaze is not restarted by smoldering hot spots. This year Russell says he may not have enough people to do

(more on page 22)

around the county town

by Jeanne Sears. Call 286-1538.

Beulah Hewitt, Jean and Denzil Cox, Sally Cox and a friend travelled to Atlanta, Georgia. Beulah stayed with Joy and Don Kellett and family for a holiday. Jean and Den went on to Florida to visit with Evelyn and Loyne Cox. The latter four came back by way of Atlanta and from there Beulah joined them for the trip home.

Marion and Scott Gartshore, Gavin and Natasha, enjoyed a holiday at Myrtle Beach, South Carolina.

Six of the ladies of Minden Lioness Club visited with the Bobcaygeon ladies and the Omeme ladies April 3rd. There were two speakers, one talking on Nutrition and

one on organizing Dabber Bingo and this was followed by a social time.

Paul Davidson of Thornbury was a weekend visitor with his mother Lilian Davidson.

Mrs. Bill King is away visiting relatives at Brampton.

Recent guests with Florence Robinson were Bradley Robinson of Toronto and Walter Barrett of Beaverton.

There is a list of folks on the sick list - Bessie Burk, Ivy Anglis, Freda Harrison, Joan Pritchard, Anna Hurtt, Marian Ingram, Marjorie Robertson, Shirley Hewitt, Blanche McIntosh, and Irene McKelvey with good wishes to all.

Elaine and Wayne Anderson enjoyed the past weekend with Pennay and Moyer Hewitt at Tottenham.

Sunday, April 2nd was an exciting one for members of Minden Figure Skating Club as they presented "Hooked on Broadway". The many songs brought back memories enjoyed while watching the skaters. Guest skaters gave a great performance and the audience was appreciative. Altogether it was a great show.

I had a little hammer once

With which I used to strike.

I went a-knocking everywhere

At folk I didn't like.

I knocked most everybody,

But I found it didn't pay,

For when they saw me

coming

They went the other way.

Anon

Minden and District Horticultural Society had a goodly crowd at the Common Room for the meeting April 4th. Marian Hill showed slides of the gardens taken last year in our village. Then all enjoyed a social time with snacks.

Some birthdays are Murray Hewitt on 8th, Abby Crowe 3 years on 8th, Melanie Anderson 2 years old on 17th and Winnifred Cowen of Ottawa on the 10th, with good wishes to all.

New arrival is a baby boy on April 5th for Karen and Rex Anderson and another grandson for Maxine and Oswald Snell.

There was a nice crowd at Lochlin Centre enjoying

Euchre Games, and thanks to Betty Hicks these are the winners - lone hands, Norm Harrison Sr., and others Joyce Schellenberg, May Hicks, Bessie Burk and Gordon Kellett, their next games will be April 18th.

Years ago, Dr. Charles Spurgeon, the famous preacher, was asked if, in his opinion, a man who played the trumpet on Sunday would ever go to Heaven.

Spurgeon thought for a moment. Then he smiled. "I don't see why not," he replied. "But I doubt if the man next door to him ever would!"

Minden Women's Institute are having a Bus Trip to Kingston and 1,000 Island Boat Cruise June 14th, phone 286-1648 for more information.

Sincere sympathy goes to the family and friends of

the late Bert Allan whose funeral was since last week.

Winners this week at St. Paul's card party were - ladies high - Vera Ward, ladies low - Gladys Wrugh, men's high - Edna Trumbull, men's low - Sid Rowe and most lone hands Shirley Elcome.

Club 35 euchre party winners for the week include - 50 - 50 Murray Daniels, most lone hands - Garth Windsor, high man - Cliff Woolner, high lady - Verna Sawyer and others - John Klok, Rhoda Woolner and George Alsop.

Jim Pettes has returned home after living in Yellowknife, N.W.T. for the past ten years. With him is his wife Cindy from Calgary and daughters Lindsey and Melissa. Jim and his family are residing with his mother Beverly Pettes at Maple Lake.

GUIDANCE

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward,

backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

Flood unveils weakness in Staunworth site

This spring's flash flooding has unveiled a weakness in drainage patterns around the Staunworth Terraces seniors apartments that could end up costing the municipality more than \$20,000 to correct.

According to Vas Kuchar, the architect for this non-profit housing project, there was "a river coming over the road and in the front door." He was describing the conditions at the building site during the April 4 rain storm that washed out a large amount of soil, trees

and shrubs.

Kuchar explained the situation to Minden Reeve Ray Moore and Roads Superintendent Clayton Cameron at a meeting in Staunworth Court on April 7.

Although Kuchar insisted that it is the municipality's responsibility to ensure that that flooding of this nature does not happen again, neither Moore nor Cameron were convinced.

Cameron said the building was placed in front of an existing water course,

"It's not up to the town to take and divert the water."

"You put the building in the way of natural drainage," he said. Moore agreed with Cameron. He said it is the responsibility of a developer to look at a site. "It's not up to the town to take and divert the water," he said.

The Staunworth Terrace

apartments are being built at the top of Prentice Street, below the Fair Grounds and the curling club parking lot. During a very heavy rain, water from the fair grounds drained across the site, which used to be owned by the municipality.

Kuchar argued that the municipality's drainage system funnels the water from the Fair Grounds across the site. He said it is not a natural water course, and now that it is private property the municipality can not continue to use it as part of the drainage system.

The April 4 flood that revealed the problems was one of the worst in recent memory. The rain and warm temperatures caused most of the winter's accumulation of snow to melt in a single day. Because the

ground was still frozen, none of the run-off was being absorbed, making a bad situation worse.

At the end of their discussions, Moore told Kuchar that a complete examination of the area's drainage patterns would be undertaken to find the best remedy for the problem. Kuchar, in turn, suggested that if the municipality is willing to correct the situation, the non-profit housing corporation might be willing to make a contribution to the costs.

Dawson urges residents to write to Minister

(from page 1)

drive, it was anticipated that the ground would be broken on this project in the fall of 1987. However, it got caught up in red tape when the ministry demanded that air conditioning be included in the project and all the plans had to be

redrawn.

Dawson, who was the chairman of the fundraising campaign for this project, says she has grown "numb" to the frustration of the delays.

"I'm past frustrated," she said. "I'm coming to accept what's happening and that's very bad."

She says she feels sorry for the people who so urgently need this facility. She is hoping that people will get in touch with Victoria-Haliburton MPP John Eakin to convince him of how much this is needed. She is also encouraging people to write to Caplan and to Premier David Peterson.

Competition

Competition is a fact of life. Every day of our lives we are faced with some form of competition. Whether it be in the work force, on the playing field, competition is the driving force behind excellence.

Why is it, then, that the school board's visual arts committee is trying to eliminate art competitions within the schools?

"Young Expressions", a collection of artwork submitted by students from most of the county's schools, was hung at the Agnes Jamieson Gallery last week. The opening of this annual show normally attracts a full house of proud parents and students. Opening night has traditionally been the time when the winning students receive their awards.

This year, though, there was no grand opening. To cut down on the sense of competition, the visual arts committee said the awards would be handed out in private. The committee put a limit on the number of entries each school could submit, and at least one school decided to drop out of the show altogether.

The reasoning behind the committee's move is to try to develop more of an interest in art by eliminating the discouragement that comes with defeat. The fear of losing, they feel, will discourage some from participating. If there's no competition, there are no losers.

The committee, however, cannot shield children from the competition they will face outside the artroom.

Indeed, students should not be shielded from competition. School is a temporary institution designed to prepare our youth to face the challenges of the outside world.

Surely, a well-run art contest, such as we have had here for years, will provide a positive image of competition and of art that will remain with the students.

Is the King dead or isn't he?

It's just as well that I wasn't born in Britain, Holland, Denmark or any other monarchy, because I've never really been comfortable with the concept of Royal People.

My introduction to bluebloods came when I was watching a stage play - Shakespeare maybe - back when I was just a little tadpole of nine or ten. I can still remember the funny-looking guy dressed in bloomers, tights and a ruffed collar, a long skinny pikestaff in his hand, standing on the stage and croaking to the audience "THE KING IS DEAD; LONG LIVE THE KING!"

That threw me. I never really got into the play after that. I kept saying to myself, *well, wait a minute - is the King dead or isn't he?*

I think I've been a little spooked by the whole idea of royalty ever since. Royalty in all its forms. I

black 'n white

by Arthur Black

was spooked by those on-the-street reports from in front of that King's castle last August. For one thing I was somewhat startled to learn that the King's castle was in Memphis, Tennessee. Then there were all those people milling around, some of them crying. And the flowers. Tons of flowers, from all over the world. Bouquets shaped like hearts...bouquets shaped like guitars...bouquets that spelled out, in carnations and gardenias and roses, messages like ELVIS IS KING and WE LOVE YOU ELVIS.

The castle in question was the much-fabled Graceland, pleasure pit and final resting place of Elvis Aaron Presley, 1935-1977. The people milling around were Elvis fan from all over the world who made the pilgrimage to Memphis to observe the anniversary of their Saint's death.

Spooky. The guy's been dead for nearly 12 years, but every August 16th this clot of faithful followers washes up against the gates of Graceland.

Did I say clot? Amend that to 'multitude'. They come by the thousands. This past summer on one afternoon alone, more than five thousand disciples lined up and waited for hours in 95 degree heat, just to pay their respects.

Lots of other rock stars died untimely deaths --

(more on page 7)

Government tries to pass the buck

Editor:

I appreciate the opportunity to speak to your readers through this letter concerning the form letter that many have received in response to their letters to the government expressing concern regarding the demise on an important part of Ontario's cultural heritage. I refer to the traditional Opening Exercises in schools which consisted of daily Bible Readings and the Lord's Prayer.

The form letter to which I refer attempts to pass the buck from the government of Ontario to the courts. People then run into a deadend as they do not have access to judges in the way that they do to the legislators. The fact is that the government of Ontario is using the court decision as an excuse to get themselves off the hook. They did not appeal it themselves. They also discouraged the boards of education from trying to appeal it. The Ministry of Education must be held accountable for the unpopular changes they have made regarding Opening Exercises.

The form letter referred to above assures the concerned that the Lord's Prayer continues to have a place in the classrooms of Ontario. It does not explain what that place is. If a board chose the ministry's option of Opening Exercises consisting of the National Anthem and perhaps a minute of silence, then the Lord's Prayer has no place

at all in opening exercises. If a board chose the other option, to have multicultural readings, then the Lord's Prayer could be occasionally included with these restrictions. It must be read to the children and never recited by them. Someone well said to me, "The Lord's Prayer may still have a place in the classrooms of Ontario but that place is obviously a remote and dusty corner".

In attempting to create a "cradle of tolerance" it is explained that children need interaction with differing traditions. I know of no one who disagrees with this but most would like to see the differing traditions as part of social studies etc. and the cultural heritage of Ontario preserved in the traditional Opening Exercises as they have always been.

The final main paragraph of the form letter refers people to the Ministerial Inquiry by Dr. Glenn Watson. A number of people have been misled into thinking that enough input to Dr. Watson on Opening Exercises might achieve a change back to the traditional exercises. Although I too would encourage people to write Dr. Watson, it should be understood that he is NOT dealing with the Lord's Prayer and Bible Readings in Opening Exercises. This is clearly not part of his mandate. He is dealing with religious education in public schools including the two half hours required by Ontario law. There was no consultation with the public regarding the removal of traditional Opening Exercises and this inquiry, although presented as being an opportunity for public input, is dealing with a different subject. Comments regarding Opening Exercises sent to Dr. Watson can only be ignored as they are irrelevant to what he is to do.

I trust that these comments might be of some help to people as they follow up and reply to the response they have received to their first letter of concern regarding the changes in Opening Exercises.

W. Gemmell,
Minden.

Charles H. Hughes.

Road crews did a fine job

Editor:

Now that the snow has just about gone and we can put away our snow shovels and pushers and other contraptions we use to cope with the old 'white

stuff', this seems like a good time to say thank you to those who drove the trucks which cleared the snow during the winter, making it possible for us to get out and about on the roads.

We managed to avoid big storms this year but there was lots of snow.

I give a tip of the hat in gratitude to Don McElwain and Martin Bacon who work for the Snowdon Township, and to all other

drivers from other townships and the county, for keeping the roads clear and safe for winter travelling.

You did a great job!

Fred Elson,
Gelert.

Increase announced in old age security

To keep in line with the cost of living as of April 1, 1989, the Old Age

Security, Guaranteed Income Supplement, Spouses Allowance,

Widowed Spouses Allowance and Canada Pension have been increased.

Old Age Security pension rises from \$323.28 to \$325.87 per month. Guaranteed Income Supplement maximum increases from \$384.19 to \$387.26 for a single person

and for a married recipient from \$250.23 to \$252.23. The maximum Spouses Allowance paid to low-income individuals between 60-64 who are married GIS recipients increases from \$573.51 to \$578.10. The maximum Widowed Spouses All-

owance paid to low-income widowed persons 60-64 rises from \$633.17 to \$638.24. For individuals now receiving the Canada Pension, the maximum

amount for 1989 is \$565.33. If you are applying for Canada Pension during 1989 the maximum amount you can receive is \$556.25.

Acid Rain Report

The following report on precipitation events was recorded at the Ministry of Environment acid rain testing station in Dorset and compiled by Environment Canada.

This report covers one day only - March 28.

March 28 - 26 mm mixed rain and snow, 4.7 pH,

from West Virginia, Ohio and southern Ontario.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

Impressed by story

Editor:

Being an avid snowmobiler in the Haliburton County area, I was very impressed with the article on the HCSA.

Being close to the Club and some of its members and the problems they are

having - regarding trails and grooming equipment, your article and editorial was most impressive and hopefully the community will realize the benefits they get from the Club.

W. Gemmell,
Minden.

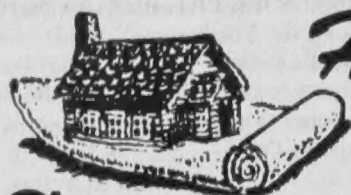

The curling season came to a close on April 1 at the Minden Curling Club as the ladies took to the ice for the final bonspiel of the year—the Sweep into Spring 'spiel, sponsored by Kawartha Dairies. The recreational 'spiel was a great success again this year with 16 teams competing. Mary Parks' Whitby rink took first place this year. Seen above is the fourth place rink from Port Perry. From the left are Helen Parish, Anne St. John, Mary Van Schaik and Louise Hougen. In the photo to the right are the fifth place team from Minden; skipped by Molly McKenzie. Seen here from the left are Lois Adamson, Molly McKenzie, Merle Codlin and Isobel Louis.

Novice A's win in Wilberforce

Minden's Novice A Tri County team was invited for a one-day tournament recently hosted by Wilberforce. With two teams from Bancroft and one each from Peterborough, Barry's Bay, Minden and Wilberforce, everyone had a long day with many exciting games.

The first game played by

Minden was lost to Barry's Bay with a 5-1 score. Anderson was able to pick up the one goal. Goalie Walker played a great game regardless of the final score.

Minden's next game was against Bancroft Haulage, and this time they came out on top with a 6-1 score. This was enough to get the

team into the B Division playoff.

The game against Bancroft was all Minden's. They had their confidence back and they played up to their abilities. Goals and assists were: Donnelly two goals; Kerr one goal and one assist; Daniels two goals; Ranson one assist; Anderson one

goal, and Stephenson one assist.

In the B Division playoff, Minden faced the host Wilberforce team.

When Minden hosted a tournament earlier in the year, it was Wilberforce that put up the strongest competition. Yet, in this

game, Minden overpowered Wilberforce to take a 7-0 victory. This certainly wasn't the same team that played so hard against Minden back in January.

The goals and assists were: Stephenson one goal and one assist; Kerr two goals; Todd two assists; Ranson one goal; Donnelly

two assists; Anderson three goals.

Minden brought home another tournament trophy to add to the arena's showcase. Special mention goes to Ben Ripley who was named the most valuable player in this game.

Weather for February & March

by Phil Graham

February	C	F
Average high	-2.5	27.5
Average low	-16.5	2.3
Average for month	-9.5	15.0
Average for Feb. 88	-11.3	11.6
Rain	10.2 mm	.4 in.
Snow	93 cm	36 in.
Total precipitation	103.2 mm	4.0 in.

March	C	F
Average high	3.6	38.0
Average low	-13.0	8.6
Average for month	-4.7	23.5
Average for March 88	-3.9	25.0
Highest temperature 27th	20.0	68.0
Lowest temperature 7th	-28.0	-18.4
Rain	39.6 mm	1.5 in.
Snow	68 cm	26 in.
Total precipitation	107.6 mm	4.2 in.
Days mostly sunny	13	
Days with rain or snow	12	
Days with thunderstorms	2	
Snow on ground March 31	16 cm	6 in.
Snow on ground March 31/88	11 cm	4.3 in.
Total snow to date (31 m)	224 cm	88 in.

Appears most of winter happened during March. February was fairly mild but March we received coldest weather and heavy rain and snowfalls. Glad to have missed all the messes! During holidays in February and March had only 3 part days of rain, rest was sunny, which included Cyprus, Israel, Italy and England. Can't say same for Ontario lately, unlimited clouds!

Thanks to H & L Skead for looking after weather records while we were enjoying all the sunshine.

Students to take over Council

by Jay Kerr-Wilson

This is Local Government Week across Ontario and The municipality of Anson, Hindon and Minden has planned a special council meeting on Thursday to mark the occasion.

A continental breakfast will be served at 8:30 a.m. Thursday morning prior to the start of the council meeting. Everyone is invited to come out and take the opportunity to meet their councillors.

At 9:30 a.m. students from Archie Stouffer Elementary School are going to take part in an hour-long

mock council meeting and will get to deal with the sort of problems facing local governments.

Local Government Week is sponsored by the Ministry of Municipal Affairs and this year's theme is "We're Working for You".

The Local Government Week concept was established in 1985 as a response to a request from the Association of Municipalities of Ontario to the ministry to develop a program to inform citizens about the functions of local government. Since that time Alberta, Nova Scotia, British Columbia, Quebec and the Yukon have followed suit and planned Local Government Weeks of their own.

Long live the King

(from page 4)

John Lennon, Janis Joplin, Otis Redding, Buddy Holly — but each passing year makes their legends a little hazier. Which is the way it's supposed to work — time heals all wounds and all that. Not so much with Elvis. He's getting bigger in death. Some of his staunchest fans couldn't have been more that grade schoolers when Elvis was an actual breathing human. In a few years there will be fans carrying candles at Graceland who weren't even alive when Elvis was around.

The Elvis revival is not just a downtown Memphis phenomenon. Last year a radio station in Cincinnati, Ohio decided to play Elvis records.

Just Elvis records.

Twenty-four hours a day.

Can a radio station make money doing that? You bet your blue suede shoes they can. Two weeks after WCVG switched to the all-Elvis format, advertising revenue had soared a pelvis-rattling 700 percent.

And there's no fear of running out of

programming. Elvis left behind 652 singles and 90 albums before he went to that Last Big Audition In The Sky.

That's if.....ahhhh, in fact Elvis *did* shuffle off his mortal coil. The out-and-out spookiest aspect of the whole Elvis cult is the growing number of Presley devotees who don't care about any Elvis Revival because they don't think Elvis needs to be revived. They contend that Elvis....lives. These folks believe that Elvis faked his death in that Graceland bathroom back in 1977 to escape the pressures of fame, and that he's kind of gliding around the world incognito ever since, just waiting for the right moment to reveal himself and reclaim the throne of the King of Rock and Roll.

Well, if I learned anything from the Salman Rushdie affair it's not to make fun of religious fanatics and zealous nutballs, so I'll just say no comment...beyond noting that if Elvis is alive, he's closing in on sixty years of age....and probably still a binge eater, which is to say, obese.

I'm not sure anybody would *want* to see him wiggle his pelvis one more time.

Monarchs take B division trophy in Glen Dart Memorial tournament

April 1 found Minden's Novice C on the ice as guests of the Haliburton Huskies in the Glen Dart Memorial Tournament. With the final playoff series for their regular schedule behind them, and Minden emerging victorious from that, the pressure was off both teams, however the urge to win was still evident.

Minden's Gavin Gartshore tucked the first one away assisted by Clay Davis with 1:50 left in the first. Both teams rallied back and forth from end to end resulting in Haliburton tying in the second on a shot from Ian Clements, assisted by Greg Forgrave and Ryan O'Neill.

With the final score tied 1 - 1, the boys proceeded into a five-minute overtime with one player from each side being removed at one minute intervals until three players aside remained for the duration to hopefully take the winning goal. At the end of the five, the game was still tied, so to

make things a little more interesting and tedious, they were lined up for a three man shoot out. The first two players were unsuccessful at finding the spot until finally Minden's Cameron Neville was back to back with Haliburton's

third player. The whistle blew and both boys attacked. Haliburton's player lost his puck centre ice and made an unsuccessful attempt at recovery while Neville took his shot and drove it home to claim the

game for Minden.

The boys were presented with the team-winning trophy on ice and each player received a mounted puck for their participation. Minden's defenceman Clay Davis was presented with a new hockey stick by referee Claude Parish as the Most Valuable Player for the year while Cameron Neville was awarded a second hockey puck trophy as Star of the Game. Lots of food and drinks afterward for the boys.

MP offers advice for tax time

by Bill Scott, M.P.

As your member of parliament, I am here to help you when you have a problem with the government or when you have questions about government programs and services. The following are some of the questions and problems that constituents often ask me.

Q. I have just discovered a receipt for some money that I gave my church in 1986. Can I use that receipt for anything?

A. You can ask to have your tax return changed

for up to three years after it has been processed by Revenue Canada.

You may have received or discovered an information slip after you mailed your return, or realized that you missed a deduction. Write to the Taxation Centre where your return was filed and ask to have it changed. You do not have to fill out another tax return. Be sure to include all the details, your Social Insurance number and the years you want changed. It usually takes about two months for the change to be

processed.

Q. I have just learned that my father, who lives in Europe, is seriously ill. My passport has expired and I want to get a new one quickly so I may visit him. If I apply myself, it will

take weeks and I need one now. Can you help?

A. In an emergency, if the application is in order, a passport can be issued in a few days time. My

MITTED.

Minden OPP Notes

During the week of March 28 to April 2, officers of the Minden OPP Detachment investigated 43 general occurrences and four accidents with one person receiving minor injuries.

INJURED

Ruth Haywood of Aurora received minor injuries when the vehicle she was a passenger in struck the edge of the road at a washout. The accident happened on St. Peters Road in Stanhope Township on March 28. Barry Haywood, the driver of the vehicle, received no injuries.

ASSAULT

Donald Martin Robichaud, 26, of Haliburton is charged with aggravated assault after police were called to a Stanhope Township address early on April 2.

A 61-year-old victim received head and arm injuries and was taken to Minden Hospital. Robichaud, who was being held at Lindsay jail, was released on conditions at a bail hearing on April 3. He is to appear in Provincial Court in Minden on May 3.

THEFTS

—A .22 calibre Cooney rifle was taken from a Carnarvon residence.

—A 1987 Yamaha snowmobile with licence number 533102 was taken from a residence at Salerno Lake.

—A gas can, an axe, a hatchet, 40 feet of chain and a pair of Kodiak boots were stolen from the Ross Lake area.

—A Makita power grinder was stolen from a Minden store.

DRIVING TIP

Road washouts and weak shoulders are the result of the annual spring runoff. Motorists are reminded to use caution when travelling on secondary, cottage and seldom-used roads.

CORRECTION

An accident involving an automobile and a snowmobile on January 29 was incorrectly reported as happening on a snowmobile trail. The accident involving Barbara Green of Toronto and Larry Kernohan of Whitby happened on a cottage road leading to Mountain Lake. Mark Valentine, a passenger, received no injuries.

The Minden Times can be recycled.

Wilson knows her hockey

Regardless of which two teams make it to the Stanley Cup playoffs, Janet Wilson will be in the stands for at least the first four games.

The 29-year-old West Guilford resident won the Toronto Star's "Hockey Star" pool and her prize is an all-expense paid trip to the first four games of the Stanley Cup playoffs. The minimum value of this prize is \$5,000.

To win the contest, Wilson had to pick 10 NHL players to fill the positions on a fantasy hockey team. She accumulated points depending on the actual records of these players.

Although she is not surprised at the win—she led the contest for 12 consecutive weeks—Wilson admits she is delighted. Dennis Dutkus of Fonthill, the next closest contestant, was gaining ground in the last few weeks. However, he fell short by 101 points when the regular season came to a close last week.

Living in West Guilford was certainly an advantage for Wilson. She naturally chose West Guilford native Bernie Nichols as one of her players and the pick paid off. The Los Angeles centre was fourth in the league's points standings with 70 goals and 80 assists. With the contests weighting factor, he turned out to be the top centre in the league.

In addition to Nichols, Wilson's team included Steve Yzerman, Jari Kurri, Joe Mullen, Mats Naslund, Gerard Gallant, Chris Chelios, Al MacInnis, Paul Coffey and Mark Howe. She chose the Washington Capitals as her goaltenders, which proved to be a good choice in the long run as

they earned several shutouts in games leading up to the playoffs.

Wilson, who has always been a hockey fan, is former NHL player Ron Stackhouse's sister-in-law. Before moving to West Guilford, she lived in Windsor and often attended

games in Detroit, especially when Stackhouse was playing.

Wilson, who works for Bowes and Cocks Realty in Haliburton, says she had help from a few people in choosing her team, and she gives special credit to Dwight Sisson.

Her prize includes return airfare to the cities where the games will be played, hotel accommodation, tickets to the games, meals and ground transportation. She also won a dozen other smaller prizes for leading the contest for 12 weeks.

Jane Wilson shows the Toronto Maple Leafs jersey she won for leading in the Hockey Star contest. Her prize for placing first at the end of the regular NHL season is an all-expense paid trip for two to the first four games of the Stanley Cup playoffs.

County House hotel

Stainton's \$3.3 million project could open before new year

Construction could begin as soon as this June on the \$3.3 million hotel complex in the heart of Minden with a projected opening date of January 1.

Funding for John and Kathy Stainton's ambitious 40-unit-hotel project is falling into place, John Stainton told The Times, and if all goes well the ground breaking will come this June.

Only a few minor changes to the plans have evolved since it was first proposed two years ago, Stainton said. The number of hotel rooms increased by three and they have decided to go ahead with the fitness facilities.

The hotel, named "The County House at Minden", will include a 50-seat restaurant, a 40-seat pub, and two 75-seat banquet rooms that will be able to open up into a single 150-seat room. The fitness centre, which Stainton says will be open, skyrocketed from \$1.2 million to \$3.3 million.

The Staintons, who used to own the Brown Owl Restaurant, initiated this project two years ago. However, it was delayed when a neighbour demanded a hearing with the Ontario Municipal Board to object to the rezoning of the property. The board ultimately dis-

missed the objection, which allowed the property located behind the Brown Owl to be rezoned.

Stainton says the delays have been frustrating as well as costly. In addition to the \$5,000 in direct costs associated with the hearing, the cost of the project skyrocketed from \$1.2 million up to \$3.3 million.

The project is being financed through a small business development corporation, with local investors as well as venture capital, says Stainton. He hopes to raise close to \$900,000 from local investors. An Investment Opportunity Profile has recently been put together by Kalar Industries.

Although the lengthy delay in getting this project off the ground has been frustrating, Stainton is more confident than ever that it is a good idea. "The location is perfect, the concept is perfect," he says. "It was a good idea two years ago when we thought of it, it's even better now with the community growing in leaps and bounds."

Although there is no public funding involved, Stainton sees the hotel as a community project. "Community support has been with us all along... the fitness centre will be a community project. The hotel will be a focal point of the whole community."

Half the hotel rooms will be geared to commercial travellers, while the other 20 will be designed for transient tourists. Those designed for commercial travellers will have one bed and be equipped with a large work desk and "the sort of things a commercial traveller needs." All the rooms will have phones.

The two 75-seat banquet rooms are designed so they can be opened up into one very large room. Stainton

plans to make full use of these rooms, taking in wedding receptions, conventions and some dinner theatre.

By setting a target date of New Year's Eve for the opening, Stainton says he is allowing some time to train the people who will be working there. About 40 full-time, year-round jobs will be opening up, most of which he hopes to fill with local people.

Residents demand paving

(from page 1)

Highland Gate was considered an urban subdivision and that the urban standard would require curbs, hot mix asphalt and storm sewers. But Mintz added that the ministry would accept the roads being brought up to suburban standards which would only require a covering of chips and tar. Once the ministry is satisfied that the road is brought up to at least suburban standards, Mintz said they would provide the township with the usual maintenance and repair subsidy.

Campbell said the residents of Hyland Gates have taken a vote and unanimously decided to accept nothing less than hot asphalt mix on the road. He added that the residents are prepared to take the township to court over the matter.

Minden Reeve Ray Moore said it was council's position that they intend to honour the agreement as set out in the bylaw but pointed out that there was no deadline for when the work had to be completed. "We'd like to see what we can do to help these people," he said.

The ministry's district engineer Jim Robertson told the meeting the municipality, in passing the 1982 bylaw had accepted the road against the advice of the ministry. He

said the ministry would subsidize the municipality to whatever standard the road was brought to providing it was at least suburban.

Moore said the municipality could cover the cost of covering the road in tar and chip, bringing it up to suburban standards. However, to pave with hot mix tar and add gutters and storm sewers would double the cost and put it out of the township's reach.

Highland Gate resident Paul Heffer said hot mix asphalt was the intended road surface under the agreement and they, "shouldn't be getting something less than what was intended."

Deputy Reeve Bern Berry, who also served on the previous council, pointed out that if the original agreement, signed in 1978, had gone through the problem wouldn't exist because the developer would have been responsible for bringing the road up to standard. He also said it was not practical for the township to maintain roads that weren't subsidized by the Ministry of Transportation.

Moore told the subdivision residents that a decision would be reached in a closed meeting on April 13 and a resolution would be passed during the regular council meeting on that day indicating what action the township will take.

Wilbermere boat launch will stay open

by Jay Kerr-Wilson

Monmouth council will not close the boat launch to Wilbermere Lake as requested by a residents' group.

Council considered a letter sent to Reeve Keith Tallman by the Wilbermere Lake Property Owners Association that asked for a way to be found of block-

ing off or effectively policing the launch area.

The association is concerned about the public access to the lake from Earles Road. "Throughout the summer the area is often completely blocked off by vehicles parked on the sand and being washed in the lake," the letter says. "We are concerned about environmental damage being done

to the lake. Oil gasoline and detergent are going into a lake that is used for public swimming, and fishing."

The association claims that children swimming in the lake suffer eye and ear infections and says they are interested in guaranteeing there will be no health hazard for the many people who use Wilbermere Lake, including those who get

their drinking water from the lake.

Accompanying the letter were 34 signed statements that the association said were from property owners on the lake who want to ensure that no vehicles have access to the water.

Some members of the association have offered to supply and install cement posts at no cost to the

township.

In considering the association's letter, council noted that some of the 34 people who signed statements don't in fact own property on Wilbermere Lake. They also said that the Earles Road access is the only public access to the lake and they would not block it off.

Council said that the ass-

ociation may object to non-residents fishing and water-skiing on the lake, as much as they are concerned about pollution from cars being washed.

Tallman said they would not block the launch but they would try and control it and re-post signs forbidding people from washing vehicles in the lake.

Kite flyers will give thrilling demonstration

by Leo Dobrzensky

At a reception on April 12 from 4:30 to 7 p.m. at the Rails' End Gallery, we will all have a chance to meet the student curators who worked hard to prepare an exciting show "Following the Wind" the work of four Ontario-based kite-makers; Lamb Hoac, Bev Jack, Don Brownridge and Barbara Hiltz.

To follow up on kites, the young and those who are still young at heart, should not miss an afternoon of spectacular kite flying at Head Lake Park. On Sunday, April 16

at 2p.m., members of the Toronto Kite Flyers' Association promise to demonstrate incredible skills such as flying kites backward, going into spin dives, hover kits etc. These experts claim that their kites don't get tangled in trees! Weather permitting, Canada's largest kite will fly that day over Haliburton. Rain date is April 23.

From April 8-29, the gallery is also showing a juried exhibition of work produced by 20 guilds that are associated with the Central Region of Ontario's Hand Weavers

and Spinners. On April 15, our own weavers are hosting the Central Region's annual meeting at the PineStone Inn.

This year, from April 6-27, "Young Expressions", the annual exhibition of student art work can be admired at the Agnes Jamieson Gallery in Minden.

The deadline for returning completed entry forms for the summer exhibition and sale is April 15. This year's sale is the 25th in the history of the guild, an important milestone. Let's make it the biggest and best yet.

Another special date, the gallery's 10th anniversary is coming up. Watch future columns for important

announcements!

Don't forget to drop in at the gallery and meet

Leslie Tusch, our new secretary. She hopes to meet as many members as possible.

Novice A Monarchs win championship

Minden's Novice A Monarchs have won the tri-county championship after two close and exciting playoff series. Last week, they wrapped up their series with Ops to take the crown. The following is a game-by-game recount of their semi-final series with Oakwood and the finals series with Ops.

THURSDAY, MARCH 9

This game indeed spurred the crowd into a noisy dancing show. Number three game of our semi-playoff series began with a special request from Minden's team members to their parents to try to be more uniformed and louder with the cheering. On that note the choreography was promptly led by Mrs. Ripley aided by sound crew Mrs. Todd, Mrs. Daniles, Mrs. Walker and Mrs. Kerr.

The team had no option but to win the game. Indeed Minden won 4 to 3 with special mention to the cheerleaders throughout this game. Carpenter, Daniels and Ranson played tougher than usual. The goals and assists are from Carpenter 1 goal; Kerr 1 goal; Todd 1 goal, 1 assist; Anderson 1 goal; Ripley 1 assist and Casey 1 assist.

SATURDAY, MARCH 11

Game four Minden had the opportunity to finish the series today in Oak-

wood's arena yet Oakwood's determination proved this would not be the case.

As a result of a tied 2-2 game Minden would play another game on home ice.

Coach Todd always gives positive vibes during any given game, though this game it has been told Coach Todd left teeth marks on the bench board just after a very close chance for Donnery to put in a winning goal. Indeed this was a correct action, as the old saying goes, "If you can't say anything nice, don't say anything at all!" My special mention this time goes to Daniels and Ranson who both are improving and aiding with our scores. The goals and assists are: Daniels 1 goal, 1 assist; Ranson 1 assist; Stephenson 1 goal, 1 assist and Kerr 1 assist.

THURSDAY, MARCH 16

With more than the

usual crowd from Oakwood to an away game and Minden's large cheering section Minden boys swept Oakwood away with a slaughter of 7 to 1. Indeed when this team pulls together they can play like a finely tuned engine. What a game to end the semi-finals! Congratulations team!

The goals and assists were: Donnery 2 goals, 3 assists; Kerr 1 goal, 2 assists; Anderson 2 goals; Stephenson 2 goals, 1 assist; Todd 1 assist; Daniels 2 assists and Carpenter 2 assists.

TUESDAY, MARCH 21

Game one in the final series with Ops for the number one position title, was true evidence of how the series would progress. Both teams played very cautious allowing few mistakes in which the other team could benefit from.

Evenly matched, the score was 1-1 in the third period. A fourth period was played with exhausted players yet neither goalie lost sight of the puck.

Our goalie Walker has played tremendous with the semi series and now has kept on with this game.

Our goal was gained by

(more on page 29)

The Minden Novice A Monarchs battled it out with Ops on April 1 at the Minden Arena, ending the game in a tie. The tie was enough, though, to give the series to Minden.

CPP benefits

(from page 8)

Ottawa or Lindsay office will be pleased to handle the details. Normally, you should allow at least four to six weeks processing time.

Q. My GIS has been cut off as of April. have no other income besides my government pension. How is this possible?

A. Aside from normal benefit increases, no changes have been made to this program for 1989. However, to continue to receive Guaranteed Income Supplement or Spouses Allowance benefits, you must reapply each year. As these programs are based on your annual income, the government needs to know that you are still eligible. You should have received a renewal form in January. Either you did not re-apply before mid-March, or something went wrong with your application form.

Scott cuts ribbon at pancake house

by Joan Bunn

The day was rainy and wet, but it didn't dampen the spirit of the Haliburton County Farmers Association. Together with our MPP Bill Scott, Township

of Snowdon representative Dwain Wruth, Carm Hamilton Agricultural Representative and about 60 fellow farmers and guests, we gathered to officially open Tom and Diane Dawson's Winter-

green Maple Syrup and Pancake Barn on April 1.

After the ribbon cutting ceremony, we enjoyed a tour through the sugar bush, with a very informative guest speaker, Clarence Coons from the Ministry

of Natural Resources. A movie, on the making of maple syrup was enjoyed by those who wanted to stay behind.

On return to the Pancake Barn the Haliburton County Farmers Association held a short Veterinary Services meeting. This service is provided to all farmers within Haliburton County for a nominal fee of \$20 a year. The 1989 executive was voted in as follows, Anne Lee, John Francis, Godfrey Tyler, Paul Aggette and Wally Bunn.

Tom, Diane and capable helpers served a delicious meal of pancakes, sausage and fresh maple syrup, which was enjoyed by all.

The Haliburton County Farmers Association would like to express their appreciation to Bill Scott, Dwain Wruth, Carm Hamilton, Clarence Coons, Tom and Diane Dawson, and all fellow farmers for coming out to celebrate the Grand Opening of Wintergreen Maple Syrup and Pancake Barn.

Anyone interested in becoming a member of the Association, please contact Joanne Howard 286-2249 or Wally Bunn 286-2823.

Tom and Diane Dawson's Wintergreen Sugar shack and pancake house had its official opening on April 2 with several local dignitaries on hand to cut the ribbon. Bill Scott has been the MP for Victoria and Haliburton Counties for more than 20 years and this was his first ribbon cutting in Snowdon Township. Seen here from the left are Snowdon Councillor Dwaine Wruth, Farmers Association president Wally Bunn, Tom Dawson, Bill Scott, Diane Dawson, and John Francis.

KEEPING CENTRAL ONTARIO INFORMED

County receives \$100,000 for services

The Ministry of Community and Social Services has allocated \$100,000 per year to Haliburton County for new or improved services to children and their families. The target groups are:

Children "at risk" of developing a mental health disorder;

Children with a mental health disorder; and

Children who are seriously or chronically disturbed.

Services to these target groups could focus on primary prevention, early detection and intervention and support.

The Ministry of Community and Social Services has asked the Children's Services Committee of the Social Action Committee to call for an assess proposals from the community. The Social Action Committee has been working with the ministry since the fall of 1988 to determine Haliburton County's need as it pertains to a flexible community-based service system for children and, within ministry guidelines, to prioritize areas where new or expanded services are needed.

The Children's Services Committee is comprised of representatives from health, education and social services. Based on a review of local services three major need areas were identified for priority ranking for use of the \$100,000. These are Parent and Family Support, Planning and Assessment.

Agencies or organizations interested in developing a program to meet one of the three need areas may submit proposals to the committee prior to May 31. Proposals should include summary outline of the program, planning and goals, identification of the target population, needs assessment, objectives of the program, methods of evaluation and detailed budget (up to \$100,000 for operating costs.) Proposals should illustrate how the program fits with the current system of children's services. Further details can be obtained by contacting Gena Robertson, chairperson, Children's Services Committee at 457-1888.

Prentice-Berry does it again

Once again, Prentice Berry Ltd. of Minden has been named Ski-Doo dealer of the year. This regional award was recently presented to co-owners Steve Berry, left, and Paul Prentice, right. The two attribute much of their success to their employees who joined them for this photo. Members of the staff include, clockwise from the lower left, behind Steve Berry, Kirk Taylor, Doug Thompson, Bill Skelding, Brian McKnight, Ian Minto, Kirk Robb, and Lloyd McKnight. In the centre, front to back, are Al Hildreth, Kim Thompson, and Carol Alain. Staff members absent from the photo are Sean Finley and Ted Francis. Prentice-Berry Ltd. was honoured in 1985-86 as the Canadian Ski-Doo dealer of the year.

TOWNSHIP OF SNOWDON PUBLIC MEETING CONCERNING A PROPOSED ZONING AMENDMENT

TAKE NOTICE that the Council of the Corporation of the Township of Snowdon will hold a public meeting on the 8th day of May, 1989, at 8:00 p.m. at the Township Office in Gelert to consider a proposed zoning amendment under Section 34 of the Planning Act, 1983.

THE PROPOSED zoning amendment would change the zoning on about 6 acres of land owned by Mr. and Mrs. G. Spencer in part of Lot 16, Concession II (as shown on the Key Map below) to General Residential (R) to make the new lots comply with the Zoning By-Law.

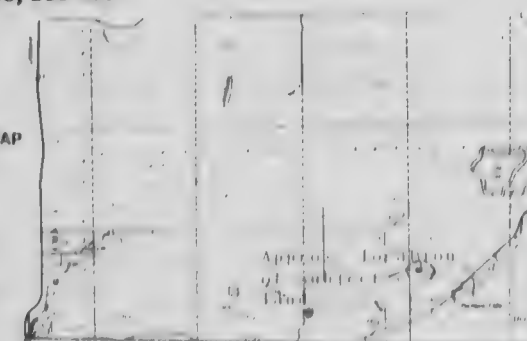

ANY PERSON may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed zoning amendment.

ADDITIONAL INFORMATION relating to the proposed zoning amendment is available for inspection in the Township Office during regular business hours.

DATED at Gelert, Ontario this 5th day of April, 1989.

Mr. E. A. Hills, Clerk-Treasurer
Township of Snowdon,

Fire crews not able to stay for 'mop-up'

(from page 1)

the mop-ups and this duty may fall on the local fire departments.

Russell said he understood that the municipal fire departments were staffed by volunteers who could not afford to be away from work for extended periods of time. "This is causing concern and I understand that," he said. He told the councillors that his staff was going to, "do our best with the number of people we have." Monmouth Reeve Keith Tallman, who is also County Warden, asked if the ministry would be able to help train the volunteer fire fighters to deal with forest fires and if there would be any financial help in buying equipment suitable for the task. Russell said his office does not have the resources to equip the local departments. "I have no incentives

at all to offer you at this time," he told Tallman.

The ministry has provided local fire chiefs with a list of equipment required to handle grass and bush fires. Because many fires aren't accessible by road, the fire fighters will have to carry water in back-packs to battle the flames.

Tallman also expressed concern about the method of covering costs for fighting fires started by negligence. If a person is convicted of starting a forest fire due to negligence, the ministry can fine him the costs involved in fighting the fire. However the municipality can still only recover 50 per cent of its cost if the fire was on private land.

"I don't see why the municipality is charged for 50 per cent of the costs and the Crown gets off scott free," said Tal-

lman. Russell admitted that Tallman's concern was valid.

Monmouth's Deputy Reeve Harry Clark addressed the problem of finding available manpower to fight large forest fires. "Thirty or 40 years ago it was no problem to pick up 15 men," he said. But now with most of the volunteers holding down full-time jobs it will be harder to assemble an adequate force. "You should be at the fire first," Clark told Russell. "Our fellows can act as back-up." Clark also said that the municipal fire departments will not want to take their equipment too far into the bush in case they have to respond to a house fire.

The Deputy Reeve also told Russell that fighting forest fires may prove to be too much for the volunteer forces. "If they have to go back the next day and

mop up these guys will be played out. Volunteer fireman can only take so much, regardless of what the government says and regardless of what we say." Clark also said the increased responsibility for the volunteer fire departments was another example of the province turning its back on local councils. "The government is throwing a dirty rag back in the faces of the municipalities."

Russell assured council that if their fire department was unable to respond to a forest fire call, the ministry crew would go. "If you can't go call us and we'll go if we can," he said. "The ball is in my court, I have to make this work."

"We'll operate for a season and see how involved we are," said Tallman. "I guess we'll live with it but that's not saying we like it."

Check first

In recent weeks, a number of area, Peterborough businesses have received telephone calls from salesmen who want them to purchase advertising in a police magazine.

The Canadian Police Association has recently entered into a contract with C.B.U. publications to produce a yearbook and newsletters in 1989. Sales people are currently calling businesses cross Canada for sponsorship.

In light of recent successful scams purported to benefit police, businesses are advised to obtain the salesman's name and number and contact the local police department or the Ontario Provincial Police before making any commitment.

Snowdon signs new fire agreement

Snowdon Township's fire protection agreement with the Glamorgan Township fire department was renewed last Monday with no increase in the fees.

Snowdon Township will continue to pay an annual standby fee of \$1,500 for the fire department to cover the southeast corner of the township. In addition, the township has agreed to pay \$165 for the first hour and \$85 per hour thereafter for each fire call.

Snowdon Township has no fire department of its own. It buys fire protection from Glamorgan, Minden and Dysart townships.

Your Business

In the interest of enhancing the business climate in the Highlands, the Haliburton County Development Corporation is pleased to sponsor this informative business-oriented column. The material in this report was prepared by the Small Business Branch, of the Ontario Ministry of Industry, Trade & Technology.

LOCATION, LOCATION, LOCATION!

The Oakville home furnishings retailer couldn't believe his good fortune. He found a vacant store located just one street away from his existing outlet, where the rent would be 30% less. So when his lease expired, the owner-manager lost no time in setting up his new shop, only to experience the shock of his life. Sales plummeted by 40%. The new store, just one block away from the old location, nevertheless was too out of the way. There simply was not the same flow of shoppers passing by.

As this unlucky Oakville merchant discovered, give short shrift in your planning to location, and you're courting disaster. "The three most important factors in determining the success or failure of a small business are - location, location, location," remarks Geoffrey Hale, a former consultant to small business with the Ontario Ministry of Industry, Trade and Technology. "Your location is absolutely critical not just in retailing, but also for service industries."

Generally speaking, a shopkeeper should seek a location appropriate for his or her type of business, one with reasonable rent, good visibility, high consumer traffic, and ample access to parking. The nature of your business or service goes a long way in determining precisely where you should locate.

"If you're running a discount retail operation, the place to be is in the area of other discount retailers," explains Hale. "You don't want to be opposite a store like Creeds. By the same token, if you're a top-end retailer, you don't want to be located in a plaza that has seen better days."

These days, it's probably better to be situated on main street than in certain prestigious shopping malls. The "common area" or supplementary costs in some malls (The Eaton Centre, for instance) can actually be more than the base rent, according to John Gillespie, President & CEO of Goliger's Travel Agencies of Toronto.

Gillespie, who previously headed the Pizza Pizza fast-food franchise, maintains that, "site selection for small businesses is everything." He would personally inspect and approve all real estate transactions for Pizza Pizza to ensure that the outlets met the company's exacting requirements. "For the most part, small business owners don't spend sufficient time in picking the right spot. You have to make sure there's enough parking and that the location is convenient for the customer," says Gillespie.

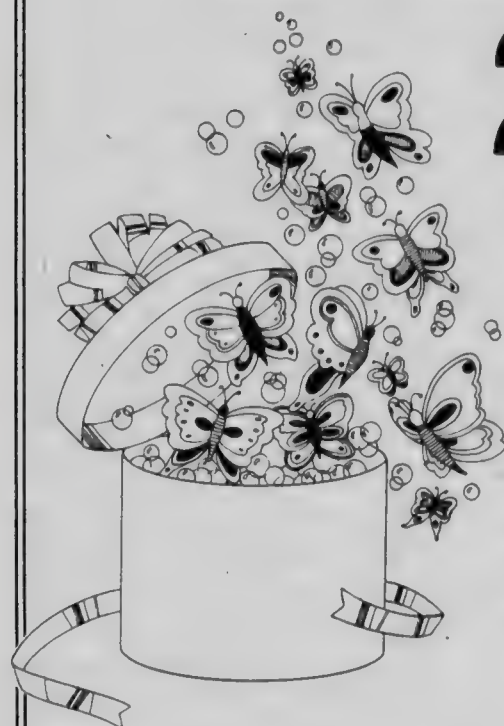

Regardless of your business, there is one cardinal rule to follow. If you pay more than 10% of your gross revenue on rent, you're probably paying too much on rent to attain the profits you want.

The Haliburton County Development Corporation was created to help business grow. Our manager, Andy Campbell, will be pleased to show you all the services available through the corporation. For more information call 457-3555 or visit our office on York St., Haliburton.

Local musicians entertain at Staannworth

(from page 23)

slides on Australia. His father is an exchange teacher to Canada. Will Wallace was 1st in the Legion Contest. Stase Walker also sings, so she sang "Grandpa Tell a Story" for us.

We had Bible Study with Mrs. Coleman explaining Luke Chapter 10, followed by Hymn Sing, led by Marjory Renick from Gospel Chapel.

Friday evening Bill Payne and Eldon Deacon came to play and sing for us. It was an enjoyable evening. Saturday Terry, Norma, Kevin and I attended a farewell dinner in Haliburton Legion in honor of Rev. John and Velma Smith, who are leaving Haliburton to take

charge of a church in Chatham, Ont. They will both be missed by many people in this area and are wished success and happiness in the future.

With 23 present Mr. Burgess conducted the Sunday night chapel service. Our last offerings were sent to the Leper's Society of Canada. They now have a drug to help these people.

Congratulations to Ada Turrall on her birthday April 3, 1989. Susie Kernohan graduated in her Health Care Aide Course. We, at Hyland Crest, congratulate her on her success and wish her the very best in the future.

Rev. Dawn Gilby had the service and communion in the chapel on Tuesday. Bonnie Lee

Berry brought four of her pupils to speak to us from grade 7 and 8. Damon Smith spoke on Hockey referees, Tammy Howard on Teenage Suicides, Tanya Berry on Mysteries in the World around us and Grant Wilson on Minden Hospital.

For lunch on Tues-

day, we ate in the auditorium. Each person ordered what they preferred and Linda picked it up at General Lee's. It was a welcome change because it was a little different and gave the kitchen staff a short reprieve from waiting on us. After we played cards

and crokinole with the help of volunteers, which we appreciated very much. In the evening, we had Everett Fairey, his daughter and Stase Walker to sing for us. We appreciate them coming to entertain us.

Ruby Lewis had Mr. Smith to see her last week.

Wednesday I had Therm Varty, Katie Stamp and Ruby Spiers to see me and they visited other residents they know at Hyland Crest. Pearl Lyle had her daughters Jean and Anna to visit her.

Pearl Lyle, Gertie McKay and Maron Rose are busy quilting again.

CORPORATION OF THE TOWNSHIP OF STANHOPE PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope, proposes to enact a by-law to stop-up and close and convey to the abutting property owner that part of the original allowances for road set out and described as follows:

FIRSTLY: All and Singular that certain parcel or tract of land and premises, situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Kushog Lake, lying in front of part Lot 1 Concession XII and that part of Lot 1 Concession XII designated as road allowance on Crown Land Survey attached to Instrument Number 18736 and being more particularly described as Parts 2 and 3 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 4323.

THE PROPOSED BY-LAW will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 10th day of May, 1989 at the hour of 11:30 a.m., and at that time, the Council will hear in person or by his/her counsel, solicitor or agent any person who claims that his land will be prejudicially affected and who applied to be heard.

DATED April 4, 1989.

Gerald C. Bain, A.M.C.T.
Clerk-Administrator
Township of Stanhope
R.R. 1, Haliburton, Ontario
KOM 1S0.

INVITATION TO PARTICIPATE RESOURCE MANAGEMENT PLAN VICTORIA COUNTY AGREEMENT FOREST

The Minden District of the Ministry of Natural Resources is about to initiate a Resource Management Plan for the Victoria County Agreement Forest which is comprised of tracts in Somerville, Laxton, Emily and Manvers Townships, (see map below).

The plan will be prepared in accord with the concepts of Integrated Resource Management (IRM) which is defined as "the coordination of resource management programs and activities so that long-term benefits are optimized and conflicts between programs are minimized."

The management plan will, for example, identify all potential areas of timber harvest, renewal and maintenance for the twenty year period from 1990 to 2010, and specific areas for harvest, renewal and maintenance for the first five year operating period. At the end of each five year operating period, a new updated plan will be prepared for the next twenty year period. The plan will also address other resources such as wildlife, fisheries, their management, and resource uses such as recreation. Planned road locations (if applicable) will be described, as will any identified concerns to other users of the forest.

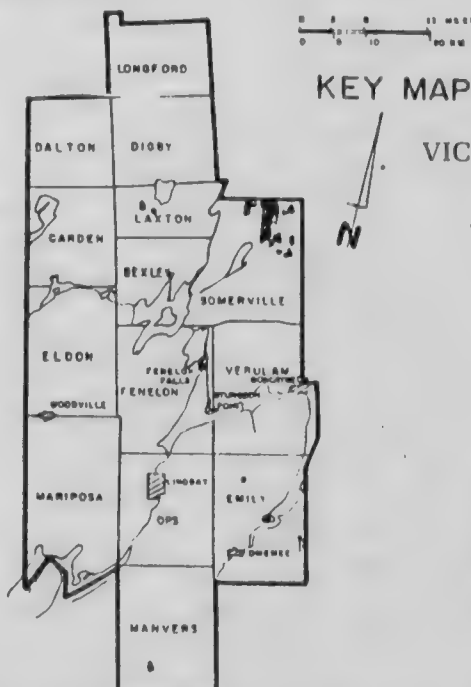

One major objective of this planning process is to translate objectives and targets from higher order plans (e.g. District Land Use Guidelines) to "on the ground" actions, providing detailed direction about how related objectives and targets are to be achieved.

You are invited to participate in the preparation of this plan by submitting your comments either verbally or in writing, to the District Manager, Ministry of Natural Resources, Minden, Ontario KOM 2K0, (705) 286-1521, by May 17, 1989. Please identify areas which you feel contain values that may be affected by resource management operations, specific issues or concerns which you feel should be addressed, or any background information you may have on the planning area.

Public comments will be sought at the following additional stages in the preparation of the resource management plan:

1. Information Centre - Victoria Room, County of Victoria Building, 26 Francis Street, Lindsay, Ontario (Review of alternatives and preliminary management proposals).	Dates
	June 20, 1989 6:30 p.m. to 9:00 p.m.
2. Public Review of the Draft Plan.	Jan. 2 - Feb. 2, 1990
3. Public Inspection of the Approved Plan.	March 26 - April 30, 1990

Note: Dates shown above are subject to change. Please contact the District at Minden for further information.

Falcons need help in order to survive

by Marion Streb
Federation of Ontario
Naturalists

Elizabeth Bagshaw is dead. She was one of six young Peregrine Falcons raised at hatching facilities at Wainright, Alberta in the spring of 1988 and sent, when they were still covered with down, to the Hamilton Naturalists Club to be placed in hacking boxes until they were ready to fledge.

Because the Peregrine Falcon is an endangered species throughout Canada attempts are being made, through reintroduction of birds like Elizabeth, to raise the population once again to a level where it can sustain itself. In Ontario, the Ministry of Natural Resources, the Canadian Wildlife Service (Environment

Canada), in conjunction with local organizations is trying to reestablish the Peregrine Falcon in some of its former haunts.

But Elizabeth's life was brief. Late in August 1988 she was discovered near Sarnia, unable to fly, apparently the victim of a collision. She was taken to Erie Wildlife Rescue who contacted the Chatham Office of the MNR because of the unusual red band on one leg (the special peregrine band). The Chatham Office could not identify the band and had to contact the Wildlife Branch of the MNR at Queen's Park to find out that Elizabeth was one of the falcons in the release program. They were also told to get her immediately to the Wild Bird Clinic at the University of Guelph.

For some reason this was

not done, and when she finally arrived, courtesy of a volunteer from the Federation of Ontario Naturalists, Dr. Bruce Hunter of Guelph thought it unlikely she would survive. However, she did survive and was sent for special care to the McKeevers at the Owl Rehabilitation Research Foundation, because of their success in treating injured raptors. In spite of expert nursing she made little progress and made no attempt to use her wings. Early in January 1989 Kay McKeever found her dead on her perch.

In a preliminary examination Kay discovered a lead pellet, probably from a BB gun, lodged in one wing joint. Around the area where the pellet had lodged, sharp needles of bone had

grown out. This explained her reluctance to use her wings. At that time Kay found no other ab-

normalities, but sent the small corpse to Guelph for further study.

Elizabeth's fate is instruc-

tive and not without irony. The federal and provincial governments and participa-

Novices win championship

(from page 16)

Anderson from Todd.

THURSDAY, MARCH 23

Game two played in Ops arena gave Ops a victory and a lead in points standing against Minden. The score of 2 - 1 indicated Minden had slipped down their guard and perhaps were too over confident with their attitude. If they want to keep in the race a different approach in attitude will have to be overcome. The team has the ability but must again work together.

Ryan scored Minden's lone goal, assisted by Todd.

TUESDAY, MARCH 28

Ops arrived in Minden for game three and both teams played on rather poor ice conditions due to the outside spring weather. The ice was soft and slow and the occasional patch of fog made the playing of this game a real hard job. Even the referees and fans had a tough time seeing the action.

Minden outplayed Ops winning 2 - 0. Special mention this game goes to Ripley, Camelon, Todd and Casey who played defense positions under tough situations. Both teams now with three points.

The goals and assists were gained by: Casey 1 goal; Todd 2 assists; Kerr 1 goal, 1 assist and Anderson 1 assist.

WEDNESDAY, MARCH 29

Game four was back in Ops under much better ice conditions as the weather had changed slightly. Minden was really wound up before the game began and this high remained with the team throughout the game.

Minden won once again with a score of 4 - 2, placing the point system Minden five points, Ops three points. Now Minden needed at least another tie in order to win with total points. If, though, Ops managed a win in the next game there would be a call for a sixth game back in Ops.

Scoring was done by:

Donnery 1 goal; Stephenson 1 assist; Ryan 2 goals; Casey 1 assist; Todd 2 assists and Kerr 1 goal.

SATURDAY, APRIL 1

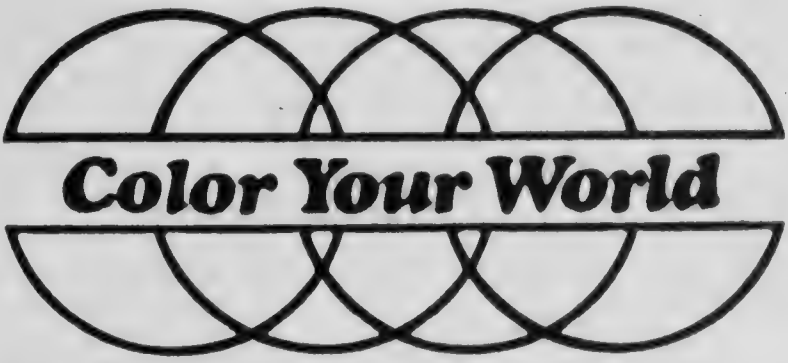

They should have made a movie from this series. With both teams neck and neck throughout the series this game was to be the one that could go either way. The three periods provided many shots on each net yet both goalies kept control of the situation. All players worked and the crowds cheered continuously. At the end of the third period with 48 seconds to go a penalty was called for Minden and Ops.

As soon as the puck cleared Ops' end their goalie was pulled. A very long 35 seconds until the countdown 6,5,4,3,2,1, 0 Minden's Novice A Tri-County team has won the honour of number 1!

Thank you Ops for putting up a grand fight.

P.S. Figures missing for two games played. Sorry guys!

**LOCAL GOVERNMENT WEEK
IN THE
TOWNSHIPS OF ANSON, HINDON & MINDEN**

The public is cordially invited to join Council for a
CONTINENTAL BREAKFAST
in the Council Chambers at
8:30 a.m., Thursday, April 13, 1989,
in celebration of Local Government Week.

Following Breakfast - Students from Archie Stouffer School will be holding a Mock Council Meeting starting at 9:30 a.m.

Council will commence regular Council Meeting at 10:30 a.m.

Meet you Council & Support Staff

(Mrs.) Mary Mysyk,
Clerk-Treasurer.

Considered a royal bird

(from page 29)

ting organizations like the FON and clubs like the Hamilton and Guelph Naturalists have all invested considerable time, effort and money in the Peregrine Falcon release program in Ontario. Yet when a district office of the MNR had to deal with an injured and plainly marked bird, they did not apparently recognize the distinctive band, nor, once informed, did they see any urgency in getting treatment for a member of an officially endangered species. Obviously there is a failure in communication.

Since ancient time the Peregrine Falcon has been regarded as a royal bird, and been valued by kings and princes for its beauty, its speed and its prowess as a hunter. Its almost mythical qualities made it ideal as a focus for the endangered species program. However, raptors as a group have not been highly valued in North America. They are specifically excluded from the protection of the Migratory Birds Convention Act, the agreement reached in 1916 between Canada and the U.S. to protect most migratory birds. Also there is pro-

vision in the Ontario Game and Fish Act which allows farmers to trap them in preservation of their property.

These are official signs of what has been a pervasive attitude toward raptors: that they are competitors and are, therefore, vermin to be destroyed without compunction. Someone had shot Elizabeth. Whoever did it had probably been raised to think this way. In September of 1988, another Peregrine Falcon from Elizabeth's group was shot near Quebec City.

The program to re-introduce the most regal of

all raptors is hung up on the public's perception of raptors which has been learned over generation and reinforced by statute. Attitudes are difficult to change, but it can be done. In Ontario this can be done by making it clearly illegal to trap or shoot raptors, even in preservation of property. There is always a more humane and effective way to do this.

Meanwhile Elizabeth and her kind will continue to suffer not only natural disasters, but also the casual cruelty of an ingrained attitude which sees all predators as 'the enemy'.

SIR SANDFORD FLEMING COLLEGE

CO-ORDINATOR/LIFE SKILLS COACH HALIBURTON

This is a temporary position from May 1, 1989
to November 15, 1989 (approx.)

The Job Skills Training Program requires a Co-ordinator/Life Skills Coach to achieve the objectives of the program and promote the employability of the participants.

Duties involve developing, implementing, and evaluating program activities; hire and train staff and participants, providing supervision and performance evaluation; integrate individual goal plans; and provide 9 hours weekly of Life Skills Coaching.

The successful candidate will have a post-secondary degree/diploma in the School Services field, or equivalent experience and training; a Life Skills Coaching Certificate preferred; and several years experience in the field. The ability to effectively communicate and deal with people is essential.

Please submit an up-to-date resume by April 18, 1989, to:

Director, Personnel Services
Sir Sandford Fleming College
526 McDonnell Street
Peterborough, Ontario
K9J 7B1

(We are an equal opportunity employer.)

Ladies attend zone meeting

Hello again from the ladies of the Minden Lioness Club. Our growing club is keeping very busy here and there. Recently Lionesses Jean Lacey and Lorna Hicks represented the Minden Lions and Lioness clubs at the A16 Zone 33E Dinner meeting March 22 at Deer Lodge. The rest of our ladies were busy serving dinner to the Lions who our ladies were busy serving dinner to the Lions who had a guest speaker that night in Minden. Representatives were present from Haliburton, Bobcaygeon, Fenelon Falls, Dunsford, Fowler's Corners, Omeme, Lindsay and Minden. Highlights of the evening were our wonderful turkey dinner

\$5,000 raised

The Haliburton Chapter of the Heart and Stroke Foundation raised more than \$5,000 in February and the first week in March through a variety of functions.

The residential canvas by the Minden Lioness Club combined with the rose button sale raised a total of \$2,157. The Dorset Jump Rope for Heart raised another \$1,241. And by March 6, a total of \$1,245 had been received in mail-in donations, bringing the overall total to \$5,241.

Anyone wishing to make a donation can still do so by sending a cheque to the Heart and Stroke Foundation of Ontario, 227 George St. N., Unit 2, Peterborough.

The Haliburton Home Support Service is also selling copies of the Light-hearted Cookbook for \$15 each. To get yours, call 457-2941.

for your service

by Lorna Hicks, Minden Lioness

and now that because of expansion and growth, we will become 52N allied with Coboconk, Fenelon Falls, Bobcaygeon, Haliburton and Dunsford.

We will learn more at the Convention coming up in Lindsay April 22 of changes in growing structure of Lions and Lioness Clubs. Two of the clubs are mixed Lions, both men and women in the same club, and a representative stood to say they feel their clubs are stronger for it.

On April 5 Lionesses Jean Lacey, Ena Marion, Ruth Rice, Velma Stiver, Joyce Wright and new prospective member Georgina Kernohan attended a meeting in Bobcaygeon, where a guest speaker spoke about nutrition.

This month is election

time for officers for the 1989-90 year. Also our Liaison Maurice Boyd will be choosing one recipe from the collection brought in by members to go in a district cookbook. Again this year we are supporting the Minden Swim Program with a donation, along with Easter Seals, Rowden Children's fund and CNIB Camp Lake Joseph. Again we are working with the Lions Club toward the Food Booth at Ride For Sight in support of Retinitis Pigmentosa in June.

Be on the lookout for tickets for our newest draw coming up. Proceeds go to the Minden Hospital Building Fund. The ladies of the North Road Quilters kindly donated a lovely tie-down quilt for first prize. Second prize, an afghan, is croch-

ed from yarn donated by Syd Burchell, by Lioness Lorna Hicks, and third prize is a door stop donated by Lioness Edna Moulton. The draw to take place September 2, at the same time as the Lions Club draw.

Until next month, thank you for your support and friendship as in words of Shirley Chisholm. Friendship involves the total concern and compassion for another fellow human being "in times of peace and in times of war". It encompasses Fondness, Reliance, Intensity, Esteem, Neighbourliness, Devotedness, Sincerity, Harmony, Interest, Patience. These 10 virtues comprise the depths of true friendship - love of one human being for another.

CARD OF THANKS

The family of the late Lillian Dugan wish to express their thanks and appreciation to relatives and friends for their kindness and sympathy during our time of sorrow. The floral tributes, donations, cards and food were greatly appreciated. Special thanks to Dr. Hayes and Dr. Stokes, the V.O.N. and the nurses of Haliburton Hospital. You're great. To Jim Creighton for his words of comfort, Melissa Stephens, the Lochlin U.C.W. and the Gordon A. Monk Funeral Home. May God bless you.

The Dugan Family

I wish to thank my relatives and friends for the lovely cards which I received on my birthday.

Florence Robinson

I would like to thank my family and friends for their visits, cards, calls and gifts I received during my recent hospital stay and since my return home. Also, thanks to the Ambulance attendants and Dr. Dawson for their care.

Myrtle Walker

I would like to thank my friends and relatives for their visits, calls, prayers and gifts during my stay in the hospital and afterward at home. Thank you also, to ambulance drivers Mark Schell Jr., Gerry Woods and Larry Hartin.

Larry Little

IN MEMORIAM

MARTIN: Victor. In loving memory of my dear father who passed away April 6, 1988.

What I'd give if I could say
Hello Dad in the same old way

To hear your voice
See your smile
To sit with you and chat awhile
So you who have a father
Cherish him with loving care
For you'll never know the heartache
Until you see his empty chair.

Sadly missed and lovingly remembered by Kathy.

AT REST

HARRISON J. Royce

- Peacefully at Hyland Crest Senior Citizens' Home on March 28, 1989 - J. Royce Harrison - passed away in his 79th year. Predeceased by his parents, Walter and Mary Harrison of Carnarvon, and three brothers, Arleigh of California, Elwood and wife Laura of Lindsay, and Vernal (Benny) of Carnarvon. Survived by sisters Muriel (Mrs. A. Bud Medley) of Minden and sisters-in-law Lyla (Mrs. Arleigh Harrison), of San Fernando Valley, California, and Velda (Mrs. Vernal Harrison) of Carnarvon. Lovingly remembered by nieces and nephews and their respective families: Mrs. Lola Einbund; Walter (Lynn) Harrison, Glenda (Mrs. Walter Lindemann) all of Newhall, California; Ron Harrison of Toronto; Wayne Harrison,

Doug Harrison, Myra (Mrs. Al Slater) all of Lindsay; Carole (Mrs. Prosper Saint-Cyr) of Ottawa; Judy (Mrs. Albert Carpenter) of Carnarvon; Larry Medley of Haliburton and Glenda (Mrs. John Atkins) of Lindsay. Rested at the Gordon A. Monk Funeral Home, Minden followed by a service in the chapel. Spring interment in Carnarvon.

The family of the late Royce Harrison wish to extend their thanks and deep appreciation to Doctors Harry Good and Steve Dawson, the nurses, staff and all at Hyland Crest for their excellent care and many acts of kindness, Gordon A. Monk Funeral Home for their attention to every detail, and Reverend Ed Moll for his comforting words as well as the floral tributes and memorial donations to the various charities including the Hyland Crest Bus Fund and the Minden Hospital.
